## Objective

Highly motivated and enthusiastic recent graduate with a passion for web development seeking a Front-End Web Developer position. I am eager to apply my knowledge of HTML, CSS, and JavaScript to contribute to building dynamic and user-friendly websites.

## Education

- Bachelor of Computer Application(BCA)
  Savitribai Phule Pune University, Pune, Maharashtra
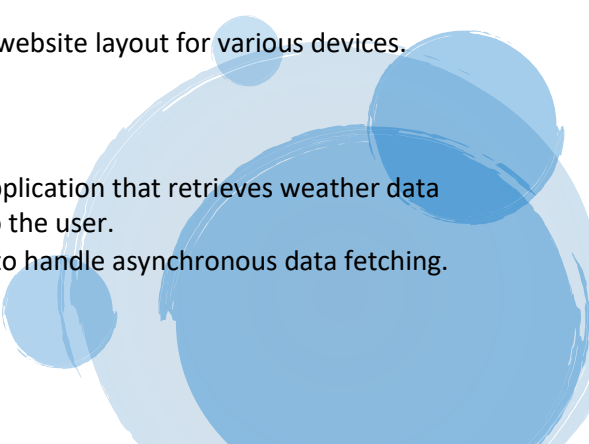

## Relevant Coursework

- Web Development Fundamentals
- Front-End Development Technologies
- User Interface Design
- Responsive Web Design
- JavaScript Programming

## Projects

**Portfolio Website**

- Developed a responsive personal portfolio website highlighting my skills and projects using HTML, CSS, and JavaScript.
- Implemented smooth animations and transitions to enhance user experience.
- Designed and optimized the website layout for various devices.

**Weather Web App**

- Developed a weather web application that retrieves weather data from an API and displays it to the user.
- Utilized JavaScript promises to handle asynchronous data fetching.

- Designed the user interface using HTML and CSS, ensuring a seamless user experience.

**E-commerce Website**

- Created a mock e-commerce webpage with a focus on use interface and design.
- Implemented animations and transitions using CSS for enhanced user experience.
- Ensured cross-browser compatibility and responsive layout for various devices.
- Deployed the website on GitHub Pages.

## Skills

- Proficient in HTML5, CSS3, and JavaScript (ES6).
- Familiar with Front-End Frameworks: Bootstrap.
- Basic understanding of Version Control: GitHub.
- Experienced in using code editors such as Visual Studio Code and Sublime Text.
- Familiarity with graphic editing using Adobe Photoshop.

## Extracurricular Activities

- Web Development Club: Actively participated in web development workshops and projects, enhancing practical skills and teamwork abilities.
- Online Courses: Enrolled in online courses to continuously improve web development skills and stay updated with the latest trends.

## Languages

- Fluent in English [Hindi, Urdu, Marathi, Arabic]
